American Farmer, notice of 74
American an, on sending commuications to the Maine Farmer 139
American Industry, instance of 222
American Cotton manufactures 245
Amicus, query respecting G Major 235
answer to query 243
Animal food, remarks on 364
Animals, form of 347
Antheum at Brighton 341
Apathy in regard to agriculture 203
Apples and cider 12,--how to preserve 14
Apple tree, query 34
Apples, machine for paring 330--gathering of 301
--good for cattle and hogs 371
Aquatinta engraving 237
Arithmetic for farmers 394
Articles manufactured, report of committee on 2
Asylum for the blind 38
Ashes on copperas rock soil 51
Asparagus, how to cultivate, 124--salt on 133
Augurs, improvement in 395
Authentic memoir, 38,——Autumn 304

B

Barn, queries respecting, 5--tight or open, best, 10
—answer to, 19--a Subscriber's remarks on, 35
--on rendering tight, 75
Barn yard and hogpen 147
Barley in England 13
Barnitz, Charles on sunflower oil 89
Baldwin, Dr. D. his experiment on the comparative worth of wheat 27
Barstow's J. address before W. S. Ag. Soc. 17-25
Bates Hon. J. remarks on wool 210
Bacon's red streak 34
Bakewell, his remarks on premiums, 97—answer to Progress, 130.
Baker, patent decision on 150
Balls of yellow potatoes, query, 282-answer to, 299
Bat usefully employed 298
Bath metal, how to make 165
Bath, cheap and convenient one 126
Bagpipes 134
Bell metal 165
Beans and peas, how to preserve green 179
Beef, mode of fattening 51
Beef and pork, how to dry when salt 347
relative expense of fattening, query, 35
Bees, curious facts concerning, 243—profits of, 250
--query on, 251--house for, 253—keeping them in worms, 322—parasite of, 371.
Blackberries, remarks on 92
Boots, blacking of by steam 116
Book farming. 13. Borrowing 370
Brass 165. Britannia, ib.
Bread stuff, enough should be raised in Maine, 4 20 47 51.
Broom corn 291
Bricks for Green house flues 14
British insects, number of 39
Bruises, how to remove from furniture 53
Bulbs, to cause to flower in winter 188
mode of forcing 269
Bulls and cows, report on 1
Bull Sir Isaac, notice of 49
Bushes, cutting of 234-236-242
Butter, art of making, 167--Dutch butter 339
" how to sweeten when strong 357
" winter 402
Butterfly, memoirs of 56
Burdock roots for hogs 235
Buttons, Christopher's patent 93

C

Cabbages for cattle, 51; early 125
Calves, query how to raise, 107; mode of rearing, 122; diseases in, 132.
Calf, large one 371
Canada thistles, cutting 210
Canal Boats, Improvement in 285
Carriages, steam 69
Carriage wheels and axle trees 261
Cast iron fire places, query 67
Cashmere or Angora goat 352
Caterpillars 147-201
Cattle Show, rules of the Ken. Co. Ag. Soc. 259
Cattle, feeding them on fish, 51; when choaked, tarred rope used for, 75; relief of when choaked, 121; best breed for dairy, 234; Show and Fair of Ken. Co. Ag. Society, 283; feeding of, 387; fattening of, 291.
Cellars should be cleaned 313
Chickens in Gardens 198
Chronometers 126
Churning on horse back 134
China, manufacture of 237
Chain bridge, query 362
Chain saw 262
Cheese making, by C. Vaughan, Esq. 378
Civil Government of Maine for 1833 6
Cigar, definition of 39
Cider, mustard seed in, 55-275; making of, 328
Clay as a manure 159
Climate as connected with husbandry 12
Close of the year 12
Clock, curious one 101
Clover and wheat, 369; for manure, 378; machine for cleansing, 301.
Cobb's Manual on Silk 402
Cog wheels, problem respecting 21 29
Colts, management of 388
Conqueror, notice of 67
Committee of Ken. Co. Ag. Soc. on horses, &c. report of, 300; hats, &c. ib; working oxen, ib; bulls, cows, &c. 308; sheep, ib; oxen, 315; cheese press, &c. 316; Linens, &c. ib.; swine, 324; fat cattle, ib.; machines, 325; mulberry trees, 403.
Corn, Indian, raising of, 133; soup, 258.
Corn race 362
Corns, how to cure 275
Couch or Quitch grass 270
Courtship, last scene of a lone one 282
Correspondents, hints to 355
Cows, matter of fact respecting 19
Cranberries, 9; high bush ones, 124.
Creation, wonders of 200
Cream, new method of obtaining 236
Crops, report on, 9; premium recommended for, 90; rotation of, 265.
Currant wine 185-186-195-198
Cutlery, ornamental 245

D

Dairy, E. Perkins' 302
Daughters, advice to 392
Debt, queries how to get out of 131
Deep ploughing 170
Dont stay too long 291
Down East 126
Doubty, Dr. on cutting bushes 242
Ducks, wild ones 253
Dwight's Dr. T. remarks on the rust in wheat 104
Draining under 194

E

Earthern ware, manufacture of 86
East Somerset Ag. Society premiums 139
E. B.'s notice of a method to prevent banks from sliding 146
Ecclaircissement in answer to X. Y. & Z. 43
Economy in a family 16
" recommends steers instead of horses 266
" on picking up stones 266(?)
Education, Spurzheim on 264
" in Germany, 288; Female 344
E. G. B. on reading Newspapers 163
Eggs, how to preserve 134
Elephant, sagacity of 31
Emigrant from the Old Colony remarks on fashions 227
Enjoyment of plants 315-362
Enquirer, No. 1, 259; No 2, 266
Etna, top of 384

F
